

Think like an Examiner

A Level Chemistry masterclass webinar

A detailed review of the marking process by a highly experienced A Level Chemistry examiner, and why it matters to you

- **What the examiner wants to see** – the most effective way to set out your answers
- **The list principle and crossing out** – why this could cost you marks without you realising it
- **Level of response questions** – how they are marked and how you can get full marks without writing an essay

All webinars delivered in real time by a highly experienced A Level Chemistry Teacher and examiner. Each class will begin at 6.30pm, last approximately 1hr 30 minutes, concluding with 30 minutes of time for Q&A.

This webinar is available on two dates, Monday 20th May and Thursday 23rd May at a cost of only £10 per student. Places are limited so don't delay!
