

## Stretch and challenge (from A to A\*) A Level Chemistry masterclass webinar

A detailed review of how the exam is designed to allocate grades and the best ways to maximise your chances

- **Recent challenge questions** – the hardest questions and how to approach them
- **Avoidable errors** – the most poorly answered questions and avoiding careless mistakes
- **Extension tasks** – the use of materials beyond the specification (and why it shouldn't scare you)
- **Exam technique** – what it is and why it matters

All webinars delivered in real time by a highly experienced A Level Chemistry Teacher and examiner. Each class will begin at 6.30pm, last approximately 1hr 30 minutes, concluding with 30 minutes of time for Q&A.

**This webinar is available on two dates, Monday 13<sup>th</sup> May and Thursday 16<sup>th</sup> May at a cost of only £10 per student. Places are limited so don't delay!**
